

Product Data Sheet

Q U A D R A CUTS COMPETITION

Quadra Cuts Competition is formulated for quick and effective weight loss. It's the perfect formula for anyone who wants to look their best getting ready for bodybuilding or physique competitions, weddings, photo shoots, vacations, etc. This hardcore formula will provide you with the powerful ingredients to shred fat and water weight fast and designed to be taken 2 to 3 weeks before your big event.

Quadra Cuts Competition provides the powerful ingredients to promote fat burning metabolism by stimulating the release of stored fat from fat cells, elevating the body's thermogenic furnace, promoting accelerated weight loss specifically from fat (fat oxidation), and increasing energy. Additionally, **Quadra Cuts Competition** contains herbs to promote safe, healthy, and rapid water weight release for the appearance of paper-thin skin, muscle definition and vascularity.

The Appetite Management and Thermogenic Blend provides the safe and proven effective ingredient Simaluma™. Simaluma™ is a patented extract (U.S. patent #7,060,308) of the Caralluma fimbriata plant, successfully used as a natural appetite suppressant in India for centuries. Several human clinical trials have proven its efficacy to suppress hunger, reduce body weight and body fat, reduce body mass index (BMI), and reduce waist and hip circumference. The key bioactive ingredient in Simaluma™ appears to be the pregnane glycosides, flavone glycosides, and megastigmane glycosides. It has been proposed that the pregnane glycosides block lipogenesis (fat synthesis) by as much as 35% by inhibiting a key fat synthesis enzyme called ATP-citrate lyase. A second enzyme, malonyl coenzyme A, has also been postulated to be inhibited. Studies have also shown that Simaluma™ inhibits differentiation of pre-adipocytes into adipocytes (new fat cells) indicating the reduction of new fat cell lines.

To support the rapid breakdown and release of stored fat from fat cells, caffeine has been added as an extensively researched ingredient in humans. Caffeine promotes mental alertness and increased energy levels. To further support this process, green tea standardized extract containing highly concentrated levels of EGCG, has been added as numerous published studies have now shown that EGCG is effective in reducing body weight, mainly body fat, by increasing thermogenesis and fat oxidation (fat burning). Green tea extract also boosts and supports mood, enhances energy and promotes a sense of well-being.

Syneprhine is a powerful bioactive amine that stimulates beta-3 cell receptors resulting in further increases in metabolic rate and thermogenesis. Syneprhine also exerts an appetite suppressing effect. Yohimbine is the primary active alkaloid in the yohimbe plant (bark) and an extremely potent alpha-2-adrenergic antagonist that stimulates fat release from deep fat stores.

Beta-Phenylethylamine (PEA) acts as a natural stimulant to support weight loss. PEA helps to curb appetite and supports a positive mood and sense of well being without jitters or nervousness. Capsicum anuum fruit extract standardized to 40% capsaicinoids have a unique way of burning more calories and increase fat breakdown as a thermogenic ingredient. Capsaicinoids have been shown to increase body heat production to stimulate fat oxidation and especially has been shown to be especially effective when combined with caffeine and green tea. Additionally, capsaicinoids reduce appetite and energy intake. Alpha lipoic acid (ALA), commonly referred to as the "Universal Antioxidant", is a potent antioxidant and functions as free radical scavenger. ALA has now been shown to promote weight loss, ameliorate insulin resistance and may have positive benefits in metabolic syndrome.

Size: 60 Capsules
Serving Size: Two (2) Capsules
Servings Per Container: Thirty (30)

KEY FEATURES

- Competition Strength Weight Loss Formula†
- Masterfully Formulated for Quick Fat Loss and Water Removal†
- Provides Effective Appetite Control†
- Promotes Energy, Mental Alertness and Focus†

KEY MESSAGES

- A powerful formula to support maximum fat burning, accelerated weight loss from fat, rapid water weight release and increases in energy and focus.†
- Contains the Appetite Management and Thermogenic Blend delivering potent ingredients to suppress appetite, promote the release and burning of fat from deep fat stores, and elevates the body's fat furnace.†
- Contains a Water Loss and Support Blend of synergistic herbs to promote healthy water loss for the lean and dry appearance of the skin.†
- Formulated with the patented and effective ingredient Simaluma™ in which human clinical studies have shown to suppress appetite, limit fat accumulation and reduce the formation of fat.†
- Caffeine promotes the breakdown and release of fat from fat stores, potentiates the thermogenic action of the other ingredients in the formula, promotes mental alertness and increases energy levels.†
- Contains green tea extract standardized with highly concentrated levels of epigallocatechin gallate (EGCG). Published studies have demonstrated the efficacy of EGCG in reducing body fat, increasing thermogenesis and fat oxidation (fat burning).†
- Syneprhine is a powerful bioactive amine that stimulates beta-3 cell receptors resulting in increases in metabolic rate and thermogenesis.†
- Beta-Phenylethylamine (PEA) acts as a natural stimulant to support weight loss. PEA helps to curb appetite and supports a positive mood and sense of well being without jitters or nervousness.†
- Capsicum anuum fruit extract (standardized to 40% capsaicinoids) stimulates heat production within the body to promote fat oxidation. Capsaicinoids has been shown to be especially effective when combined with caffeine and green tea.†

Size: 60 Capsules
Serving Size: Two (2) Capsules
Servings Per Container: Thirty (30)

Supplement Facts

Serving Size: 2 Capsules Servings Per Container: 60

	Amount Per Serving	% Daily Value*
Niacin (as niacinamide)	40 mg	200%
Vitamin C (ascorbic acid)	120 mg	200%
Chromium (as polynicotinate)	200 mcg	167%
Potassium (as chloride)	99 mg	3%
Vanadium (as sulfate)	50 mcg	**

Appetite Management and Thermogenic Blend Providing: 725.5 mg **

Slimaluma™ Extract (*Caralluma fimbriata*) (min. 25% Pregnane Glycosides), Synephrine HCl, Yohimbine HCl, Caffeine anhydrous, White Willow Bark Extract (standardized to 15% salicin), Green Tea Extract (*Camellia sinensis*) (Leaf, 45% EGCG), Beta-Phenylethylamine (PEA), Capsicum anuum Fruit Extract (standardized to contain 40% capsaicinoids), Alpha Lipoic Acid

Water Loss Support Blend Providing: 300 mg **

Papaya Extract (4:1), Uva Ursi Leaf Extract (*Arctostaphylos uva ursi*) (standardized to contain 20% Arbutin), Dandelion Leaf Extract (*Taraxicum officinale*) (standardized to contain 20% taraxasteroles), Bladderwrack (*Fucus vesiculosus*) Thallus

*Percent Daily Values are based on a 2,000 calorie diet.

**Daily Value not established.

Directions: As a dietary supplement test your tolerance by taking one (1) capsule with food. If well tolerated, take another capsule 4 hours later with food. After tolerance test, you may take two (2) capsules with food or with up to eight (8) ounces of water without food. Stay well hydrated throughout the day while using this product especially in hot and humid temperatures. DO NOT TAKE AFTER 6 PM. MAY CAUSE SLEEPLESSNESS. DO NOT EXCEED FOUR (4) CAPSULES DAILY.

Other Ingredients: Magnesium Stearate, Maltodextrin and Gelatin.

Slimaluma™ is a trademark of Gencor Nutritionals, Inc., USA. Slimaluma™ is protected by U.S patent #7,060,308.

Does not contain: Yeast, corn, wheat, soy, gluten, milk, salt, sugar, starch, preservatives or artificial color.

ALLERGY INFORMATION: Manufactured in a facility that processes milk, soy and egg proteins, peanuts, other tree nuts and wheat.

Contains 250 mg Caffeine per serving

KEEP OUT OF REACH OF CHILDREN.

STORE IN A COOL, DRY PLACE AWAY FROM MOISTURE AND SUNLIGHT. ALWAYS KEEP TIGHTLY SEALED.

BE SURE TO READ THROUGH THE ENTIRE "WARNING STATEMENT" BEFORE USING THIS PRODUCT NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 21 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician before using this product if you have, or have a family history of, including but not limited to high blood pressure, cardiac arrhythmias, heart, liver, kidney, thyroid, or psychiatric disease, pheochromocytoma, diabetes, asthma, recurrent headaches, anemia, nervousness, anxiety, depression or other psychiatric condition, peptic ulcers, Parkinson's disease, glaucoma, difficulty in urinating, or seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) or any other dietary supplement, prescription drug, or over-the-counter drug containing ephedrine, pseudoephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight control products). Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects, including heart attack and stroke. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Individuals who consume additional caffeine with this product may experience serious adverse health effects and those that are sensitive to the effects of caffeine should consult a physician before consuming this product. Improper use of this product may be hazardous to a person's health. Do not use during strenuous activity in high temperature conditions (greater than 80 degrees F). Drink at least 2 liters of water daily when using this product.

(cont'd from p.1)

The Water Loss Support Blend contains a synergistic blend of potent herbs to promote healthy water loss for that lean and dry look of the skin. Included are papaya extract, uva ursi (*Arctostaphylos uva ursi*) standardized extract to contain a minimum of 20% arbutin, dandelion leaf (*Taraxicum officinale*) standardized extract to contain a minimum of 20% taraxasteroles, and bladderwrack (*Fucus vesiculosus*, thallus). All these herbs contain natural levels of potassium to support healthy electrolyte balance while releasing excess water from the body. Additional potassium has also been added to the formula to further support healthy levels of this electrolyte to help prevent cramping.

Quadra Cuts Competition is the smart formula you want to use delivering the correct and powerful ingredients to shred fat and water weight fast to transform your body into peak physique.

As with any weight loss product, this dietary supplement is most effective when used in conjunction with a sensible and reduced caloric diet, exercise and behavior modification program along with a comprehensive multivitamin and mineral supplement from the Max Muscle line.
